

# Interplanetary Help

(© Past Perfect Genes – Lyrics & Music: Haris Cazlaris)

**[Intro:]** [Am D G Am] ×2 Am Am

Am G D Am  
First time that I saw you baby skies were blue, but your mood was plunging in your sadness

Am G D Am  
First time that I saw you baby skies were blue, and your mind was struggling through the darkness

**Refrain:** G C G C  
I will go where you will take me, having fun, enjoying the ride

G C G C  
I'm gonna love and kiss you, baby, I just want you by my side...

C G Am C G Am C G Am Am  
...all along the way – all along the way – all along the way

**[Intro:]** [Am D G Am] ×2 Am Am

Am G D Am  
Then, I saw you once again; the skies were red, your beautiful body tormented by your sorrow

Am G D Am  
Then, I saw you once again; the skies were red, dazzling solitude toddles until tomorrow

**Refrain:** I will go where you will take me, ... [All along the way --- 3×]

-----> then, GTR solo over 8 × [C – G – Am] chords -----> [break]

**[Intro:]** [Am D G Am] ×2 Am Am

Am G D Am  
Last time that I saw you baby skies were dark, and the stars were shining all around you

Am G  
You were getting ready to pack up your dreams and track your way,  
D Am  
...then I saw an interstellar light surround you

C G Am C G Am  
You were taken away – Saved or dead, who knows?

C G Am C G Am  
You were taken away – Saved or dead, who knows?

C G Am C G Am  
You were taken away – Saved or dead, who knows?

C G Am C G Am Am  
You were taken away – Saved or dead, who knows?
