

Love for Rock 'n' Roll

(© Past Perfect Genes – Lyrics & Music: Haris Cazlaris)

Intro: Gtr E riff

E

Watch me little girlie, don't you mind that I'm a thirty-year old hag
Check out your decision and your plastic rap religion and the "stuff"

G A G A

And don't fall in love with me 'cause I'm a shit-headed oldie

G A E

Don't you flee the situation, don't give this kind of impression to your pa'

E

When your rapper-dad is shocking and your plastic mama lunatic to you
Well, there ain't no Prince-a-coming and your dear Madonna 's drowning before you

G A G A

And don't fall in love with me 'cause I'd make you cry all day

G A E

Answer like a human, don't you hide and play the woman, now!

[repeat INTRO, then Gtr/Harp/Piano solo ad lib, then ...]

E

Come on little queenie, your desire for me is definitely dim
Try to find another, let me go my way and rather follow him

G A G A

Now, don't fall in love with me, 'cause I'd ruin your destiny!

G A E

Find some other lover, even hurry to your mother, but leave me

G A G A

Now, don't fall in love with me, 'cause I'd ruin your destiny! (wa-ha-ha!)

G A E E E E

Find some other lover, even hurry to your mother, but leave me
